Welcome to Kedron State School

On behalf of the Kedron State School community – staff, students and parents, I would like to welcome you to our school community.

Situated in the avenues of Kedron, 8km North of Brisbane's CBD, Kedron State School is a co-educational primary school for students from the Preparatory Year to Year 6. Established in 1926, our school has a time honoured history within the Kedron community.

The students, staff and parents of this community take great pride in ensuring our school continues the strong reputation as a school focused on high expectations, supporting the long held motto of Kedron State School – *By Industry We Prosper*. Together we work to ensure that students have the opportunity to learn and succeed to their greatest potential.

Kedron State School is committed to the school value statement that sits alongside our traditional motto - ***Connecting every learner, everyday in every way for success***

This value statement underpins our focus that every student will receive a differentiated and individually suited education that will equip them to be connected and successful learners long after their primary school years are complete.

Kedron State School values academic, athletic, artistic, cultural and leadership pursuits. Our community believes in the education of the 'whole child' in order to build solid academic, social and emotional foundations for our young students to confidently stake their place in an ever changing world.

The teachers of Kedron State School are committed to delivering contemporary curriculum through challenging and rigorous learning opportunities that meet the instructional needs of all children.

Kedron State School values the success of individuals, celebrates diversity and recognises the importance of strong parent and community partnerships.

As the proud Principal of Kedron State School, I welcome you and your family to our school. I wish you many happy years on the life long journey of learning.

Yours in education,

Susie Randel-Kneipp
Principal

CURRICULUM AND THE TEACHING LEARNING PROCESS

Intended Curriculum

At Kedron State School, we plan, teach, assess and report on the:

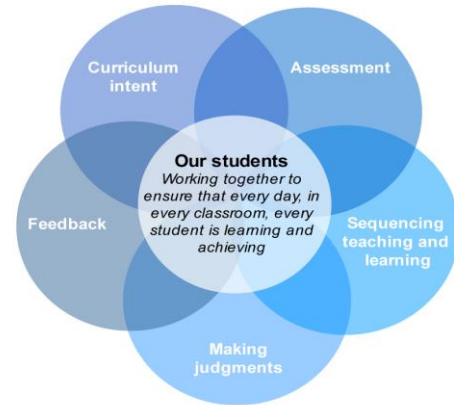

Australian Curriculum Prep to Year 6
<http://www.australiancurriculum.edu.au>

- English
- Mathematics
- Science
- Humanities and Social Science (HASS)
- Health and Physical Education (HPE)
- The Arts
- Technology
- Languages – Japanese (Years 5 & 6)

A number of specialist teachers provide lessons in the areas of:

- Physical Education
- Music
- Languages (Japanese)
- Dance (Years 4 - 6)
- Digital Technology

Our expert teaching teams engage in a planning process every term to develop a shared understanding of the alignment between the curriculum intent, assessment, teaching and learning sequence and reporting.

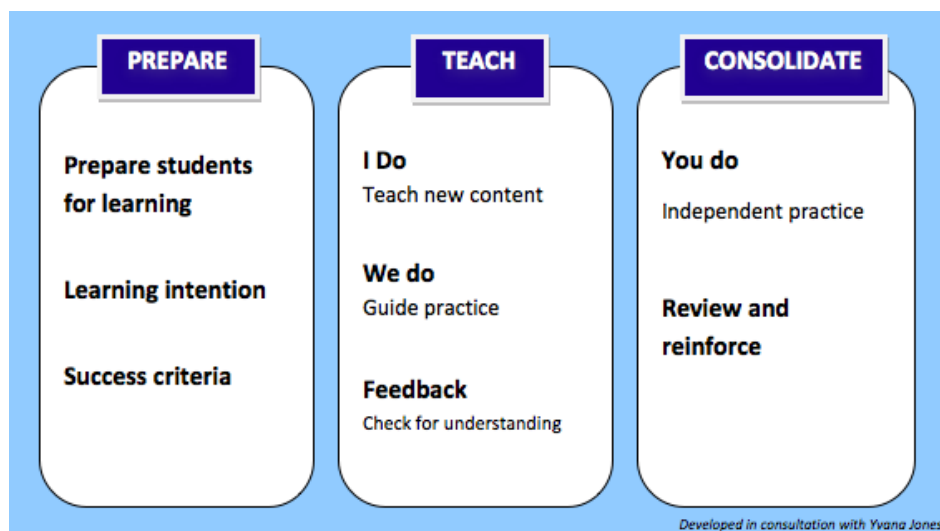

Assessment and Monitoring

At Kedron State School, our teachers use a variety of standardised, diagnostic, formative, monitoring and summative assessments to diagnose learning needs, determine achievement and inform teaching. Assessment is consistent across year levels and is front-ended at the beginning of a unit of work. Students are assessed throughout and at the end of a unit of work to determine their overall understanding. Students in Years 3 and 5 participate in NAPLAN (National Assessment Program in Literacy and Numeracy).

Sequencing Teaching and Learning

Our Whole School Curriculum, Assessment and Reporting Plan ensures a cohesive progression and sequence of learning. Our students are exposed to a wide variety of learning opportunities through each of the learning areas across all year levels. We also provide many opportunities for students to be involved in a range of additional curriculum offerings.

Our signature, research evidenced instruction is guided by **High Impact Teaching**, which involves teachers employing the gradual release of responsibility when explicitly teaching core knowledge, understanding and skills. The key selection and balanced use of effective teaching strategies provides students with the opportunity to learn in diverse ways.

<p style="text-align: center;">DIRECT TEACHING</p> <p><i>Highly structured and explicit</i></p> <p>Explicit teaching, intensive teaching, structured overview, drill and practise</p>	<p style="text-align: center;">INDIRECT TEACHING</p> <p><i>Students make decisions about their learning</i></p> <p>Inquiry based learning, inclusive teaching, problem-based learning and independent learning</p>
<p style="text-align: center;">INTERACTIVE TEACHING</p> <p><i>Students work collaboratively in participatory learning</i></p> <p>Whole class discussions, cooperative learning and peer/partner learning</p>	<p style="text-align: center;">EXPERIENTIAL TEACHING</p> <p><i>Students construct meaning through experiences</i></p> <p>Field experience, simulation, role play and process drama</p>

Making Judgements

Our teachers work in year level teams to analyse student evidence of learning to ensure consistency of judgements against the Australian Curriculum Year Level Achievement Standard.

Consistent teaching and learning practices are defined through our Pedagogical Framework. We prioritise teacher professional development to ensure best practice and improved outcomes for all students. Student assessment pieces and portfolios are moderated across year levels and across a cluster of schools to ensure consistency of assessment and judgements.

Quality Feedback Processes - Reporting

Written report cards are issued twice yearly, using a five-point scale to report student achievement. Parent teacher interviews are offered twice yearly. A range and balance of assessment tasks are used to demonstrate student learning and inform end of semester reporting.

Reporting on student learning reflects the content, skills and application of knowledge of what has been taught and assessed in class.

Our report comments reflect:

- the achievement standards of the Australian Curriculum: English, Mathematics, Science, Humanity and Social Science, Technology, LOTE, HPE and The ARTS

Teachers provide feedback to students both formally and informally through a variety of modes including; conferencing, written feedback and verbal feedback. All Kedron students have individual learning goals that are reviewed and updated each term.

KEDRON STATE SCHOOL KEY FRAMEWORK

A suite of overarching frameworks describe teaching and learning at Kedron State School ensuring that each student's wellbeing sits at the heart of quality and individualised instruction. These documents are owned by the whole school community to allow for a shared understanding of the language and processes within our school.

Classroom teachers will provide opportunities to share with parents at varying times through the school year. Parents who enrol during the course of the school year will be provided with opportunities so they too may fully understand the design of teaching and learning at Kedron State School.

The Kedron State School Wellbeing Framework articulates the expectations of being a member of the Kedron State School Community.

Each member will be – **Responsible, Respectful, Safe and a Learner.**

We expect the adults in our community to model these expectations providing our students strong foundations of example to follow.

Kedron State School

Connecting every learner, every day in every way for success.

Zones of Regulation and Connecting 4 Success

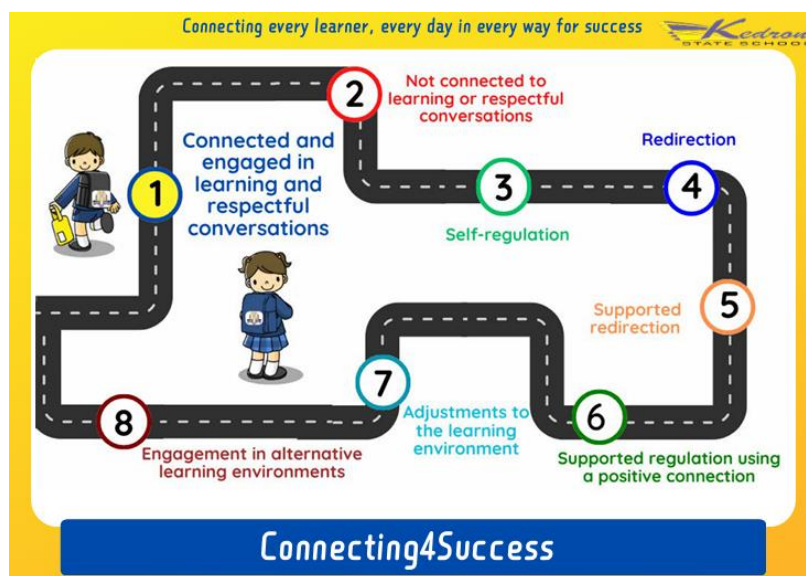

Kedron State School implements 'The Zones of Regulation' from Prep to Year 6.

The Zones of Regulation® is a framework and easy-to-use curriculum® for teaching students strategies for emotional and sensory self-management.

Embedded in cognitive behavioural therapy, The Zones approach uses four colours to help students identify how they are feeling in the moment given their emotions and level of alertness. By understanding how to notice their body's signals, detect triggers, read social context and consider how their behavior impacts on those around them, students learn improved emotional control, sensory regulation, self-awareness and problem-solving abilities.

Concepts from the Social Thinking Methodology are incorporated throughout the curriculum to help students develop awareness of how their behaviour impacts the thoughts and feelings of others. By integrating Social Thinking concepts, lessons on self-regulation become more meaningful to the students' lives as they gain a deeper understanding of the impact their behaviour has on their relationships.

The Roadmap is aligned to Kedron State School's Positive Learning and Engagement expectations and provides a common meta language for the school community to reflect on positive connections.

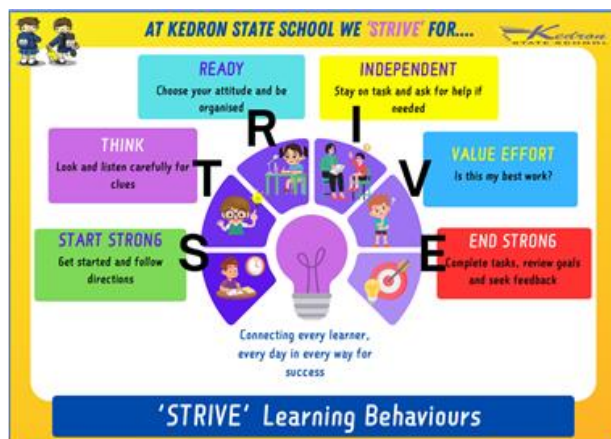

KEDRON STATE SCHOOL STRIVE BEHAVIOURS

At Kedron State School we focus on building 'growth mindsets', a theory of mind based on the research of Carol Dweck¹ and her subsequent evidence of building successful learners. To this end, we promote *STRIVE Behaviours* from Prep – Year 6 that are embedded into classroom instruction to grow the skills required for self aware, independent and productive members of the community.

Dweck, C. S. (2012). *Mindset: How You Can Fulfill Your Potential*. Constable & Robinson Limited.

Dweck, C. S. (2006). *Mindset: The new psychology of success*. New York: Random House.

EXTRA CURRICULA

Kedron State School offers a diverse range of extra curricula activities to meet the needs of our students and their families.

Additional provisions of opportunity:-

SCHOOL UNIFORM POLICY - Looking the Part

The Kedron State School children are expected to uphold an exemplary uniform standard. This expectation has been established in consultation with and support of our school's P&C. In the dynamic realm of educational institutions, the priority placed on school uniforms goes beyond a mere dress code. It is a strategic decision supported by an invested community that yields profound benefits.

The advantages of having a clear and consistent school presentation code impacts not only the students but also parents and the entire educational ecosystem. One of the main strengths of a student dress code is to promote a sense of identity and pride; help to strengthen school community cohesion; enhance student safety, health and wellbeing and prepare students for the expectations of workplaces. These cultural benefits are of course complimentary to supporting student safety from allowing easy identification to more day-to-day health measures like sun safety. Aspects of personal presentation, such as grooming, also form part of the dress code.

New children to the school are required to meet this code prior to commencing enrolment.

Children in continual breach of this code will have a letter sent home to parent/caregivers reminding them of the school's requirements. If the practice continues, resolution will be attempted through negotiations. The school reserves the right to support students to meet these standards by offering temporary uniform options maintained by the school.

Children incorrectly or unacceptably dressed when representing the school, attending planned **external activities and/or excursion will not be permitted** to attend. **Continued breaches of the school's code of dress may result in the child being subject to the course of actions outlined within the Code of Student Behaviour.**

Students are expected to arrive at school in a clean, tidy uniform as listed below. If there is a reason for students not being able to come in uniform, please do not hesitate to contact the Principal. We believe suitable dress standards enhance the tone of the school as well as its reputation in the general community. It forms an aspect of our Code of Student Behaviour and enhances children's self-esteem and their sense of belonging to the school community.

Students who participate in or represent the school in extra curricula pursuits such as debating, any aspect of the school's music, strings or instrumental music program or sporting endeavours must wear their formal uniform or sports uniform as instructed to participate/perform.

These general expectations provide a very clear message that our school community values students taking pride in their appearance, appearance complying with primary school age-appropriate aesthetics and that Kedron Kids dress to 'fit in and stand out for the right reasons', instilling a sense of school pride in one and all.

SCHOOL CAPTAINS

Executive Student Leadership Team must wear the formal school uniform when representing the school at events such as:- ANZAC Day, Leaders Day, Special Assemblies etc. School Captains and teams of extra curricula pursuits may be required to wear school blazers that are held at the school for formal occasions.

Parents are not required to purchase blazers.

GENERAL

- Shoes and a hat must be worn or no outside play will be allowed.
- Designated sport jerseys only to be worn at sport event only eg: soccer.
- Jewellery is restricted to studs or sleepers, a watch and religious/medical medallions.
- No makeup or nail polish and hair to match natural colours.

HEALTHY CHOICES

We encourage all parents/carers to support our school's healthy eating philosophy by sending appropriate food for lunch and afternoon tea. The Smart Choice program, "Healthy Food and Drink Supply Strategy for Qld Schools" informs decision making. More details can be obtained from their website:

<http://education.qld.gov.au/schools/healthy/food-drink-strategy.html>

Suggestions: - **Lunch** – Sandwiches and fruit

Afternoon Tea - Fruit, cheese, cracker biscuits, yoghurt, muesli bars

We encourage water as the main source of hydration.

HOMEWORK

Homework plays an important role in the teaching/learning process.

It serves a range of purposes including:-

- Providing an opportunity for consolidation of the content, processes and skills experienced in class.
- Creating a link between the school and the home by familiarising parents or caregivers with and encouraging active participation in their child's learning.
- Fostering a methodical, organised approach to work to develop good study habits.

Our school expects students will do homework on a regular basis. The amount of homework is determined by, in most instances, year level. Homework may take the form of reading, revision, completing exercises or assignments. Parents can assist by providing a suitable environment and set time for homework and offering encouragement.

Below are suggested homework times only.

- Prep – Year 2 - 15 minutes when required
- Years 3, 4, 5 - 15 - 45 minutes per school day
- Year 6 - 45 minutes to 1 hour per school day

Nightly reading practice should also accompany nightly homework.

SPECIALIST SUPPORT

Children will receive instruction on a weekly basis from specialists in the areas of:

- Music
- Digital Technology
- Languages Other than English (LOTE) – Japanese
- Health and Physical Education
- The Arts – Dance and Visual Arts
- Religious Instruction: Religious Instruction at our school is taught ecumenically.

*** Lessons are given by approved persons including Ministers once a week. A written request is required before a child is withdrawn from such lessons. Alternative arrangements for supervision will be made for these students during Religious Instruction lessons.*

LEARNING ENHANCEMENT TEACHERS

Kedron State School prioritises an individualised and differentiated approach to instruction. As such, a Learning Enhancement Team is available to guide personalised learning through student and teacher support.

This team consists of:-

- Guidance Officer
- Social Worker
- English as an Additional Language/Dialect Teacher
- Inclusion Education Teachers
- Intensive Teachers

INSTRUMENTAL MUSIC PROGRAM

WOODWIND OR BRASS INSTRUMENTS: An Instrumental Music Instructor visits our school each week and provides free tuition to children wishing to learn woodwind or brass instruments.

These instruments are provided by parents or caregivers mostly, however the school does have several available for student use. Children from Year 4 upwards are eligible to be included in the brass and woodwind programs. Auditions are carried out the year prior to joining. Special conditions may be considered for younger talented students by the Principal and Instrumental Music Teacher. The program operates on a contribution scheme to help cover expenses.

This is currently \$75 per annum for students with their own instruments and \$150 per annum for students who use school instruments. Children who are part of the program are expected to participate fully over the course of their program involvement. There is a commitment to regular practice, attending lessons/performances, proper care of instruments and purchasing performance uniforms.

STRINGS: A strings instructor is engaged by our P&C Association to provide student instruction in stringed instruments (violin, viola, cello and double bass) during school hours. This program is full fee paying. Fees can vary from term to term but will be set at a maximum of \$160.00 for tuition only (excluding excursions) for 2025. A limited number of instruments are available for hire during the 1st year of tuition for an annual fee of \$150.00. All students are required to participate in one of the String Ensembles when they have achieved basic competency. Students from Year 3 upwards are eligible for the strings program depending on the availability of a place.

LIBRARY

Kedron State School is very proud of its library. We encourage its use and ask that the library procedures be adhered to when using or borrowing. Students are encouraged to use a library bag for borrowing purposes.

The Library is available during lunch break (currently Wednesday to Friday).

- Library books can be borrowed
- Students in Prep - Year 4 may borrow - 1 fiction and 1 non-fiction book
- Students in Years 5 & 6 may borrow – 1 fiction and 2 non-fiction books

Students are to bring their library items back on time so that other students can access them. Any lost, misplaced or damaged items are to be fully replaced or paid for by parents or caregivers.

INFORMATION AND COMMUNICATION TECHNOLOGY (ICTs)

Kedron State School is committed to the authentic integration of Information Technologies throughout curriculum delivery.

The school uses a range of technical devices (inclusive of mobile technology iPads) to support and capture learning and information recording. Kedron State School engages with NAPLAN online.

SPORTS HOUSE SYSTEM

Our school has three houses: BARTON, BOWEN and PHILLIP for Inter-House Athletics and other sporting activities held during the year. Students are allocated to a particular house on enrolment and remain permanently in that house. Children in the same family are allocated to the same house.

HOUSE COLOURS ARE:

BARTON - BLUE

BOWEN - GREEN

PHILLIP – RED

Upper primary year levels participate in intra-school sports on Friday afternoons at various times throughout the year. The sports played are seasonal but may include: touch football, flippaball, soccer, tennis and modified cricket. Children have the opportunity to trial for selection in school sport leading to district, regional and state team selection.

SWIMMING, SPORTS, EXCURSIONS

At varying times classes leave the school grounds to attend performances and visit places of interest. Notes are sent home detailing these activities at the appropriate time.

All children are expected to participate in swimming and Physical Education lessons unless they provide a note from a parent/carer excusing them.

SWIMMING

Children will require swimwear, towel, bathing cap and waterproof carry bag (**all clearly named**) to attend swimming lessons. Goggles are optional. For sunsafe practices, swimwear (togs) should minimize exposure to the effects of the sun. All students are required to wear a sunsafe shirt and bathing cap during swimming lessons.

Children suffering from any type of infection, sores, skin complaints or wearing bandaids will be excluded from swimming. No jewellery or hair clips/ties to be worn in the water during swimming lessons.

We greatly appreciate the commitment of our parent volunteers particularly during Terms 1 and 4 swimming lessons. We respectfully request that parents model appropriate sunsmart swimming attire and are fully dressed after leaving the pool precinct.

VOLUNTARY STUDENT CONTRIBUTION SCHEME

The contribution amount for **2026 has been set at \$50 per student per year**. This money is used to enhance essential learning and recreational resources for all students. Parents/caregivers are encouraged to forward payment at the beginning of Term 1, 2026. Payment options can be arranged through administration.

SENDING MONEY

BPoint is our preferred payment and all invoices will be emailed to you. EFTPOS and credit card facilities are available at the school office.

If paying by cash, please ensure you label your envelope with name, class and reason money is being forwarded together with any completed permission forms

- ***A cash limitation of \$10.00 is placed on students for purchases at the Kedron Kitchen.***
- ***Monies collected for P&C events over the value of \$20.00 are requested to be transferred electronically. Details will accompany event.***

OTHER EXPENSES

Other activities occur occasionally throughout the year and involve additional expenses for parents or caregivers and may include:-

- Arts performances
- School photographs
- Sport activities
- Australasian Schools Competitions (optional for Years 3 to 6)
- ICAS
- Special exhibitions or show performances
- Extra-curricula activities
- End of year activity
- School camp (Years 5 & 6)

BEFORE AND AFTER SCHOOL CARE

Before and After School Care is provided on the school premises by the YMCA. **Hours of operation are from 6:30 am – 8:30 am and 3.00 pm – 6.00 pm daily. Vacation care is also available.**

Enquiries please phone: 0438 788 504.

PLAYGROUP

Kedron State School proudly offers a playgroup to our local community weekly for families of children from birth to school age.

Governed by Playgroup Queensland and facilitated by a school educator and parent volunteer, our program is a wonderful opportunity to socialise and play with Kedron families, build familiarity within the school and engage our youngest learners in 'rich' activity based fun that promotes early learning.

Please check school website or newsletter for 2026 dates.

SCHOOL RECORDS

Please notify the school office immediately of any contact information change. This ensures that we have up-to-date and accurate details should an emergency arise. The prompt provision of this information avoids distress for your child.

ATTENDANCE

All students deserve a year's worth of learning and instruction. Every day counts.

Regular and punctual attendance at school is a legal requirement. Any student absence from school or late arrival must be explained by a parent with a '**reasonable explanation**' via email to school administration on admin@kedronss.eq.edu.au or via the absence line on 3621 3466 or personal contact. Students leaving school prior to 3.00 pm must be signed out via administration by parent or emergency contact.

All absences without valid reason will result in a phone call requesting an explanation of such absence. No response or further unexplained absences will result in formalised action. Those children who do not attend regularly are placed at a disadvantage throughout their school career.

Early departure and late arrival registers are located in the school Administration. Parents must complete this process before removing students from campus before 3:00 pm or escorting them to class after the 8:45 am school start.

ARRIVAL AND DEPARTURE

Parents or caregivers are asked to direct their children to use one route only and to ensure that they are aware of road hazards, crossings and road safety rules. If you drive to deliver and/or pick up your children at this school, please drive carefully near the school. Parents utilizing the pickup/drop off zone **must** adhere to the 2 minute parking regulation.

Children should arrive at the school no earlier than 8:15 am and should depart promptly after dismissal and by 3:15 pm unless participating in school organised activities. We discourage the early arrival of children as no playground supervision is timetabled by teachers before morning lessons. **Arrival between 8:30 am and 8:40 am is most suitable.** Once students arrive at school they may not leave the school grounds until 3:00 pm, unless accompanied by an authorised adult. If the situation arises whereby you need to collect children early, please send a note or phone the school to keep us informed.

Our school community welcomes the presence of our parents, however we respectfully request that parents collecting children from classrooms observe a reasonable distance to ensure the learning at the end of the day is not disrupted by conversation and movement that distracts our young learners.

TRAFFIC, PARKING AND SAFETY RULES

- Observe 40 kph speed zones before and after drop off or pick up.
(7:00 am to 9:00 am and 2:00 pm to 4.00 pm)
- Our school utilises a **DROP OFF/PICK UP ZONE** in both **9th and 10th Avenues**. This area is signified by an orange painted curb and signage.
- Parking in both these areas is limited to **2 minutes from 8:00 am - 9:00 am and 2:30 pm - 3:30 pm**.
- **You are required to stay in your car unless you are helping your child load or unload school bags. At no time are you to leave your car parked in this area during these times.**
- Parking outside these marked areas is permitted any time of day.
- If you use drop off zones, please educate your children to wait in an area so that they can see you pull up to enable car movement to occur smoothly during peak times. Surname labels are available from the office for you to display so the Teacher Aides can clearly identify the child to be picked up.
- Please also note that both 9th and 10th Avenues have an area to cross safely. These areas were selected by BCC engineers as the safest place to cross these roads. Please educate your children to cross in these zones.
- If your child uses Leckie Road, they must use the designated School Crossing which is staffed by a crossing supervisor from 8:10 am to 8:55 am and 2:55 pm to 3:25 pm.
- These regulations are enforceable.
- The school provides Teacher Aide supervision at 9th and 10th Avenue gates until 3:15 pm where students will be taken to the office for collection.
- A crossing supervisor assists students to cross at Leckie Road in the mornings and afternoons.

FOR OUR CHILDREN'S SAFETY WE EXPECT ALL DRIVERS TO ADHERE TO THESE TRAFFIC RULES.

BICYCLES & SCOOTERS

Bicycles and scooters must be walked through school grounds and are to be housed and locked in the school's bike racks beneath Block B. Bicycle helmets must be worn at all times when riding bikes as per Queensland Law.

Students 12 years and under are not permitted by Queensland Law to ride electric bikes/scooters/skateboards.

The school assumes no responsibility for bikes/scooters or bike helmets when parked on campus. Reasonable lock up systems are encouraged.

GOVERNMENT FINANCIAL ASSISTANCE

There is a variety of Government Financial Assistance available eg. Queensland Transport – subsidy on bus fares. *Please contact the office for further information and details.*

COMMUNICATION - STAYING INFORMED – A PARTNERSHIP BETWEEN SCHOOL AND HOME

Kedron State School recognises the partnership between home and school as critical to both parent and student confidence in understanding and connectedness to our school. The administration and teaching staff welcome and encourage open communication.

As such, quality communication is essential. The school offers multiple communication strategies: -

- ✓ School website
- ✓ Weekly newsletters (electronic)
- ✓ Community notifications via email
- ✓ Class communication via the Parent Representative Scheme
- ✓ Term newsletters and timetable for each class that also includes curriculum and assessment focus, key dates and classroom expectations
- ✓ Parent Teacher interviews Terms 1 and 3
- ✓ Formalised reports emailed Semester 1 and 2
- ✓ Opportunities to email/arrange appointments with class teachers

SHARING CONCERNS AND COMPLAINT MANAGEMENT:

From time to time you may find a need to query a certain aspect of school. Your child's teacher is the first point of contact. To allow the appropriate time for your concerns to be given consideration, an appointment is necessary. If further consultation is required, a meeting with a member of Administration will be made available.

NEWSLETTER:

Our school newsletter is published weekly (Thursday) and it is through this publication that the parents or caregivers and the local community are kept informed about the latest happenings at the school, the Parents and Citizens' Association activities and what is happening in our community.

This publication is sent electronically and is also online at: www.kedronss.eq.edu.au You can ask the office to add you to our email link by contacting admin@kedronss.eq.edu.au

As the need arises, additional school notices are forwarded home. These relate to school matters only and are not for public distribution. It is essential that you take the time to read the newsletter thoroughly. Your child's education is enhanced through your efforts to keep yourself informed. The newsletter is available for community notices. All notices need to be handed into the school office the day before publication.

ASSEMBLY:

Prep – Year 2 Tuesdays commencing at 2:10 pm

Years 3 - 6 Fridays commencing at 8:45 am

All members of the school community are welcome to attend. Specific dates will be confirmed via school newsletter.

CLASS HELPERS – VOLUNTARY WORKERS:

Many teachers encourage and appreciate parents/carers assisting with planned program of instruction. If you would be interested in helping in this way, please speak to your child's teacher. The decision to have parent volunteers rests with the individual teacher. Having extra adults in the school enriches the students' lives. Before assisting in the classroom, a Parent Volunteer Handbook is required to be collected from the office and our Volunteer Agreement forms need to be signed and returned.

The Volunteer Handbook outlines the expectations and responsibilities of all adults working within our school. The Code of Conduct applies to all volunteers. **The only exemption to requiring a Bluecard is parents or guardians who are working directly with their children. This will need to be sighted by the office when signing in.**

All volunteers are requested to report to the office, sign in and out and collect an identification badge. Students know to look for these badges as a symbol to authorize unfamiliar personnel within the school.

Volunteer induction sessions are held at the beginning of each semester (dates to be advised).

KEDRON STATE SCHOOL AND P&C

A ROADMAP TO WORKING WITH KEDRON KIDS

Volunteer and Exemption Blue Cards are free of charge.

Applying for a blue or exemption card for working with children. Go to the blue card services website and register for an online account: www.qld.gov.au/bluecard
Registration is a one-time process. You will need to validate your identity using your Customer Reference Number (CRN) from the Queensland Department of Transport and Main Roads (TMR). A CRN can be found on a driver's licence or proof of age card.

1

If successful, you will receive an online account number.
Now send an email to admin@kedronss.eq.edu.au with your full name, date of birth and Blue Card Services Account Number to enable us to link you to Kedron State School.

2

You will be notified via SMS or email of the successful link. You can now return to the Blue Card Services website and apply for your blue/exemption card: www.qld.gov.au/bluecard

3

Blue Card Services will receive and process the application. Most online applications for people with no police information should be processed within five business days. It might take longer if further information is required or if we receive police or disciplinary information.

4

Blue Card Services will notify you and the organisation of the outcome (successful or unsuccessful). Once you have your physical card, please present to the office for them to photocopy for their records.

5

PARENTS/CARERS IN THE PLAYGROUND:

Parents/carers are always welcome in our school and invited to join activities. However, under no circumstances, should parents/caregivers approach children, other than their own, in the playground. If a dangerous or unacceptable situation is observed, parents should bring this promptly to the attention of the nearest staff member or to the office. Your co-operation with this will make our school a safe, calm and supportive learning environment.

Please note that the school playgrounds are strictly out of bounds for all students and siblings both before and after school.

HEALTH AND SAFETY

If your child should become sick, the Administration staff will notify you. If this fails, we will notify a nominated emergency contact person to collect the child.

If your child develops symptoms such as spots, rashes, a temperature, a headache, diarrhoea, vomiting, conjunctivitis, severe coughing or sore throat, you will be advised immediately. We will also contact you if the student has had any injuries above the shoulders.

In case of minor illnesses, please use discretion when deciding whether or not to send your child. A child who is unwell will not enjoy or benefit from school and may spread the illness to others.

Playgrounds are to be used only during school hours when under teacher supervision. Before and after school use of playgrounds is not permitted.

ACCIDENT POLICY:

During the school day your child will be under the supervision of the teachers but accidents still may happen. The procedure we follow is that, if possible, the parent or caregiver is immediately notified so that a course of action can be determined. Parents/caregivers will always be notified if there is an injury above the shoulder/head area. If injuries appear too severe to allow this procedure, an ambulance will be called and the child will be taken to hospital. A staff member will accompany the child until a parent arrives at hospital.

HEAD LICE:

Headlice infestation is prevalent throughout Queensland at times. We have a joint responsibility to inform each other should headlice be detected. Treatment advice is provided to our families upon request.

IMMUNISATION:

We recommend that all children receive the full range of immunisation against the usual variety of childhood diseases. The only exception to this may be children who have an adverse reaction to immunisation. Full details of immunisation programs are available through the Brisbane City Council Health Department or Family Doctor.

MEDICATIONS:

For ALL medications

For any medication to be administered during school hours and/or during school-related events, please provide the school with:

- completed consent to administer medication form
- the prescribed medication with an attached pharmacy label, in its original container, with intact packaging.

If your child requires medication 'as-needed' (but not as an emergency response), your health practitioner will need to complete a *medication order to administer 'as-needed' medication at school*. These forms are available from administration. Please note that this includes any pain relief medication or antihistamines.

Where medication is required as an emergency response.

Depending on your child's health condition, your doctor will need to complete:

- an Asthma Action Plan and/or
- an Anaphylaxis Action Plan and/or
- written instructions if your child has more complex health needs.

At Kedron State School, no student has permission to self administer any medication which includes Ventolin. Please contact the office if you have any questions about medication.

No medication can be administered at school without medical practitioner approval.

SCHOOL NURSE:

A registered nurse from the Queensland Department of Health visits when required for specific health issues.

SUN SAFE:

Kedron State School is a Sun Safe School. Our school policy and practice is NO HAT – NO PLAY as stipulated in our sun safe policy.

NO SMOKING (including vaping): For the health and safety of school community members, Government policy excludes smoking within Government facilities such as school buildings and grounds and within 5 metres of the school boundary.

FIRE and CRITICAL INCIDENT DRILLS:

Drills are carried out at least twice per semester to familiarise staff and students with procedures to be followed for evacuation and lockdown of the school premises.

CARE OF SCHOOL PROPERTY:

School equipment has been provided for the educational, recreational and social development of all the students attending Kedron State School and must be handled with care at all times. Destruction of such property will not be tolerated, and replacement/repair of any school item will be the responsibility of the student and the student's parents or caregivers.

VALUABLES AT SCHOOL:

We actively discourage children from bringing valuables to school. Children should not bring any more money than is necessary. A cash limit for \$10.00 applies to purchases at the Kedron Kitchen.

JEWELLERY:

For various reasons, including safety, the only jewellery a child is permitted to wear is a watch, simple studs or sleepers by a student with pierced ears and a bracelet or medallion on a chain bearing medical information. No other jewellery will be allowed.

FORBIDDEN ARTICLES:

Water pistols, guns and caps, matches, pocket knives, chains, chewing gum and other objects staff consider dangerous will be confiscated by any staff member.

MOBILE PHONES:

Mobile phones and all electronic devices (labelled with your child's name) are to be brought to the school office prior to the commencement of the school day and collected at the conclusion of the school day.

SMART WATCHES:

Children are permitted to wear devices in compliance with school and departmental policy. Smart watches must have notifications switched off so that phone calls, messages and other notifications cannot be sent or received during school hours. Parents must have signed appropriate permissions for watches to be worn.

LOST PROPERTY:

Please label your child's clothing, books etc., clearly with the child's name. This applies to such items as school bag, hat, jumper, raincoat, shoes and purses. Lost property is located outside the reading room and if your child loses something, do follow this up by checking the contents of this box. Any valuables and the like are kept inside the office. Any lost property left at the end of each term is returned to any labelled owners or the uniform shop for recycling or given to a local charity.

INFECTIOUS DISEASES:

If your child contracts an infectious disease e.g. chickenpox, measles or school sores please contact the school immediately. In certain cases children will be required to be kept at home until the disease is no longer infectious.

You will be informed of the period of exclusion when you contact the school. An exclusion table is attached and more information can be obtained from the school. Your local doctor also can provide this advice.

Further information regarding Time Out / Exclusion period for infectious diseases for Schools is available at the Queensland Health Departments Website at <http://www.health.qld.gov.au>

BOOK LISTS

Students from Years 2 to 6 will receive in October the following year's class book list. Parents/carers have the following three (3) options to arrange their students 2026 Booklists:-

- purchase a complete book pack from the 2026 book supplier.
- purchase all items themselves
- purchase some items from the book supplier and some items themselves.

You will have only one opportunity to purchase book packs from the book supplier. These packs will be ordered in November and delivered to parents homes prior to the commencement of the school year. Payment is to be made to book supplier directly with orders. It is not compulsory to purchase books through this supplier, however, commission from sales go to the school.

NO payments are to be made to the P & C or school except for Reading Eggs and Mathletics.

PREPARATORY AND YEAR 1 CLASSROOM RESOURCE SCHEME

Our school operates a **Prep and Year 1 Classroom Resource Scheme** which operates in accordance with the *Department of Education Manual (FNM-PR-018: Textbook and Resource Allowance in State Schools)*. Kedron State School P&C Association endorses this Scheme for 2026 and parents/carers are encouraged to participate.

Our school purchases bulk essential Prep and Year 1 Classroom Resources and Materials (*in lieu of Book Packs*) and all preparatory students will be issued these throughout the year.

If you choose to participate in the scheme your child will also be provided with essential: -

* Basic classroom materials and equipment

* Specific resources for key learning areas

* Technology requirements

Participation in the scheme is voluntary. If you choose not to participate in our Preparatory and Year 1 Resource Scheme you are requested to provide all necessary classroom resources and materials as per detailed documentation provided at the school office.

KEDRON STATE SCHOOL

PARENTS AND CITIZENS' ASSOCIATION

The P & C Association of your school meets on the 2nd Tuesday of each month.
You are cordially invited to attend all meetings,
which start at 7:00 pm and are held in the Administration Treehouse.

By attending these meetings, you will become more acquainted with the working of your school and be given the opportunity also to put forward ideas that will promote the interests of the children attending the school.

FUNDRAISING for Kedron State School – How and Why?

Kedron State School is a proud school community that shares a commitment to ensuring our students access a broad range of educational and extra-curricular activities in a learning facility that matches the quality of the educational programs delivered and encourages a sense of pride in the students. The Kedron State School P&C's partnership with the school is critical to ensuring these goals are attained.

In order to support these opportunities for our students, the P&C commits to a number of fundraising activities each year. The Kedron State School Art Galleria is held on the alternate years. The evening is a celebration of our student's artistic endeavours and opportunity for the parent community to come together and enjoy an evening of socialising. An Art Auction to secure the students artwork is also part of this celebration.

Other fundraising events, for example, The Walk-A-Thon as well as some community/school activities, are run throughout the year. To encourage the involvement of as many parents as possible and ensure that volunteering is shared across the school, the parent group of each year level is responsible for coordinating one annual fundraising event each year. The list of events is regularly attached to the newsletter and sent out through the Parent Representative Communication Program.

The KSS P&C also coordinates the school's Uniform Shop, Strings Program, Kedron Kitchen and Book Club. These endeavours add to our students' school experience and are a convenient service to our school community.

Our School P&C is reliant on our parent and caregiver community. There are many opportunities to volunteer within the P&C and support fundraising efforts. It is also an avenue to extend and strengthen relationships within our very special school community. We would love your help!

If you would like to know more about the P&C fundraising activities, or you would like to get involved, contact the P&C at ksschoolsecretary@gmail.com or attend our next meeting on the second Tuesday of the month, at 7pm.
