## Acceptable Use of Network Agreement

The computer network provides resources to enhance our learner-centred community. The Network Agreement has been designed to maximise the benefits that come from using a networked computer system with internet access while minimising the risks. Access to the network for all students is conditional on complying with this user policy statement and guidelines.

### Key conditions of use

All students have an individual logon user name that is password protected. The individual user name provides rights and privileges such as internet, a personal folder, common areas and printing. Activities are being monitored at all times through student logon names. This consists of:

- *Formal Monitoring:* traced by user logon details and includes proxy log, printing records, workstation records
- *Informal Monitoring:* staff access to student folders, network administrators applying filters and regular searches and removal of harmful data.

### 1. User logon integrity

- Each user must keep all passwords secret. No user may share their password or give other access to their account, even by logging in for another person
- No user may attempt to gain access to another user's account
- Users are responsible to select a password that complies with Education Queensland's minimum standards for password complexity, as per password creation guidelines at time of creation or reset.

### 2. Network security and student safety

- No student may create, access, store, transfer, email redistribute or use files that illegal, offensive, dangerous or harmful in any way
- Students must always ensure files, including files transferred by USB and Wi-Fi links are used for educational purposes and are scanned for viruses prior to use. Inappropriate files such as Trojans or keygens that are introduced to the school network will be detected and will require action.
- School ICT hardware may not be altered in any way
- Students are to inform staff immediately of any suspected inappropriate activity.

### 3. Internet and email use

- Internet and email is provided for assigned class work and assignments set by teachers, solely for educational purposes as supervised and approved by the school
- Internet and email are to be used appropriately and legally with consideration of other users and respecting the privacy, safety and reputation of themselves, others and the school
- Students should consider 'Netiquette' when communicating online. Personal details, images or information should never be included in online communication
- The use of inappropriate language in emails will be a breach and be picked up by EQ Wordscan.
- A monthly internet download quota will be applied to all user accounts. The limit will be sufficient for educational activities to be carried out.

### Consequences

Any student participating in activities that breach network security may result in disciplinary action as outlined in the school's Student Code of Conduct. Students and parent/carer will be required to re-sign the Network Agreement following any breach.

#### 4. Cybersafety and Security

- Ensure your cybersafety by keeping your personal details, including username, password, address or phone number private
- Your account details need to be kept private. It is not appropriate to share these details with another student for their use
- In line with cybersafety guidelines, ensure you do not, under any circumstances, store, send or upload photos of yourself, other students, teachers or visitors to the school
- Social media (e.g Facebook, AskFM, Instagram, Twitter, SnapChat etc) are not to be accessed at school
- All activities on the school network, including internet history, may be stored, accessed and monitored by authorised EQ staff to determine your compliance with this agreement
- Hacking or attempting to hack the network and other accounts or bypassing network security or filtering are seriously inappropriate uses of ICT equipment and will incur consequences
- Downloads of large files, videos or images through the school network will affect the use of the network for others. Internet download limits may be put in place by the school.
- The publishing of inappropriate or abusive material about staff, students or the school in any public or school domain, including the internet, is a breach of the school's Student Code of Conduct.
- The viewing, scanning, storing, transmitting, forwarding, printing, playing, etc. of inappropriate images, video audio, or email is strictly prohibited. This applies to anything that could cause offence to others and anything that is disruptive to any activity.

#### Waiver of Liability

- The school restricts access to some material available via the internet, but does not accept responsibility for any illegal, offensive, indecent or otherwise harmful material accessed on the internet, nor for any loss however arising from use of, or reliance on information obtained through its internet service or in relation the reliability or quality of that service
- The school does not accept responsibility for any damage or loss to student owned devices or accessories brought to school or connected to the school's ICT resources.

I accept that breaching this agreement will result in either a temporary or extended termination period of my ICT access, depending on the seriousness of the offence. In the event of a severe breach, the Kedron State School administration may instigate disciplinary measures as per the school's Student Code of Conduct.

## **Introduction to the State School Consent Form (attached) for Kedron State School**

This document is to inform you about how we will use your student's personal information and student materials. It outlines:

- what information we record
- how we will use student materials created during your child's enrolment.

Examples of personal information which may be used and disclosed (subject to consent) include part of a person's name, image/photograph, voice/video recording or year level

- are created by your child whether as an individual or part of a team
- may identify each person who contributed to the creation
- may represent Indigenous knowledge or culture.

### **Purpose of the Consent**

It is the school's usual practice to take photographs or record images of students and occasionally to publish limited personal information and student materials for the purpose of celebrating student achievement and promoting the school and more broadly celebrating Queensland education.

To achieve this, the school may use newsletters, its website, traditional media, social media or other news media as listed in the 'Media Sources' section below.

The State School Consent Form may, at your discretion, provide consent for personal information and a licence for the student materials to be published online or in other public forums. It also allows your child's personal information and student materials to be presented in part or alongside other student's achievements.

The school needs to receive consent in writing before it uses or discloses your child's personal information or student materials in a public forum. The attached form is a record of the consent provided.

It should be noted that in some instances, the school may be required by the *Education (General Provisions) Act 2006* or by law to record, use or disclose the student's personal information or materials without consent (e.g assessment of student materials does not require further consent)

### **Voluntary**

There will not be any negative repercussions for not completing the State School Consent Form or for giving limited consent. All students will continue to receive their education regardless of whether consent is given or not.

### **Consent may be limited or withdrawn**

Consent may be limited or withdrawn at any time by a parent/carer

If you wish to limit or withdraw consent, please notify the school in writing (by email or letter).

The school will confirm the receipt of your request.

If in doubt, the school may treat a notice to limit consent as a comprehensive withdrawal of consent until the limit is clarified to the school's satisfaction.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images of student materials) once published by consent, to be deleted or restricted from use.

The school may take down content that is under its direct control, however, published information and materials cannot be deleted and the school is under no obligation to communicate changes to consent with other entities/third parties.

**Media sources used**

Following is a list of online and social media websites and traditional media sources where the school may publish your child's personal information or student materials subject to your consent.

- School website: <https://kedronss.eq.edu.au>
- **Other: QSchools app, Electronic newsletter, promotional material**
- Local newspaper
- School newsletter
- Traditional and online media, printed materials, digital platforms' promotional materials, presentations and displays

The State School Consent Form does not extend to P&C run social media accounts or activities, or external organisations.

**Duration**

The consent applies for the period of enrolment or another period as stated in the State School Consent Form, or until you decide to limit or withdraw your consent.

During the school year, there may be circumstances where the school or Department of Education may seek additional consent.

**Who to contact**

To return a consent, express a limited consent or withdraw consent, please contact:

School Administration  
[admin@kedronss.eq.edu.au](mailto:admin@kedronss.eq.edu.au)  
or phone 3621 3444

The Administration should be contacted if you have any questions regarding consent. Please retain this letter for your records and return the signed consent form.

As part of school/home communication, classdojo can be used to create a class story. The class story is an easy way for the events, learning activities and information to be shared with families at home. This story is a closed network and is only visible to families invited into the class.

## PREP Student Resource Scheme 2023

### Annual Parent Information Letter—PREP STUDENTS ONLY

Dear Parents/Guardians,

This letter contains important information about the **2023 Student Resource Scheme (SRS)** including how the scheme operates and the annual participation fee.

The Queensland Government supports students' education by providing funding for:

Instruction, e.g. teachers

Facilities, e.g. buildings, amenities, furniture

Administration, e.g. staffing and resources to administer the operations of the school.

Funding does not extend to individual student resources such as textbooks, computer or musical equipment for personal use, and many items used/consumed by the student in the classroom. Supply of these items is the responsibility of parents.

To provide parents with a cost effective alternative to purchasing textbooks and/or resources elsewhere Kedron State School operates a SRS for 2023.

The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme.

The scheme's operation, resource inclusions and participation fees were approved by the school's P&C Association.

#### **SRS Participation**

The objective of the scheme is to provide a convenient and cost-effective way for students to access the educational resources necessary to enhance their learning experience at school. The Department encourages parents to participate in the scheme. Participation in the SRS is optional, and no obligation is placed on a parent to participate. Participation is for the duration of your child's enrolment at the school.

Parents are required to complete and return the SRS Participation Agreement Form when joining the scheme for the first time. If no participation form is received by **3/02/2023**, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

*Continuing student of the school....*

A parent's participation or non-participation in the scheme will continue as per their previously completed Participation Agreement Form. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form.

If a parent has opted out of the scheme the parent is required to provide the educational resources listed in the SRS for their child by the start of the school year.

#### **Resource Inclusions**

All resources included in the SRS are detailed in the attached [SRS Resource list](#). This list is also available on the school's website. This is a comprehensive list of all resources included in the scheme and their associated costs.

Parents must inform the school if items on the list of resources are not received by their child when resources are distributed.

## Type of Resources provided

Generally, the three types of resources that could be included are:

**Owned** – these items are retained by the student and used as required (e.g. stationery, exercise books, student diary).

**Used** – these items are used/consumed in class by the student (e.g. industry technology/cooking/art supplies).

- work/items produced from these resources will remain the property of the student.

**Hired** – these items are hired to the student for their personal use for a specific period of time (e.g. textbooks, musical instruments, laptops).

- Hired items must be returned to the school in good condition at the end of the hire period or if the student leaves the school.
- A repair or replacement cost may be charged to the parent for any hired items that are damaged or not returned.

## Costing Methodology

The schools SRS fee is calculated based on:

A flat fee for all students in the school, OR

A flat fee for a cohort group of students (e.g. a year level), OR

A fee determined by the subjects selected by the individual student.

Please refer to the [SRS Resource list](#) for the associated costings.

## The SRS Participation Fee

The SRS fee payable for the year is available in the attached information and published on the schools website.

This also includes the TRA component which has been deducted to reduce the SRS fee payable.

\* If the cost of the SRS is equal to the TRA rate, no SRS Fee is payable.

## Financial Hardship

Parents experiencing financial hardship who are currently participating or wish to participate in the SRS should contact the school to discuss available options in confidence.

## Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school.

Any unpaid invoices, will be managed according to the department's Debt Management Procedure and may result in the student being excluded from the scheme and/or from participating in non-curricular activities until payment is made (<http://ppr.det.qld.gov.au/corp/finance/accounts/Procedure%20Attachments/debt-management/debt-management.pdf>).

## Payment Method

SRS payments can be made by BPOINT, BPAY, EFTPOS (Credit/Debit Card), Cheque, Cash, Centrepay.

When paying by BPOINT, please use the Customer Reference Number (CRN) and invoice number printed on the invoice received from the school. If unsure of the CRN, please contact the school.

Centrepay Deductions are available to pay the SRS fees. Use Centrepay to make regular deductions from your Centrelink payment. Centrepay is a voluntary and easy payment option available to Centrelink customers. Go to [humanservices.gov.au/centrepay](http://humanservices.gov.au/centrepay) for more information on how to set up your Centrepay deductions.

## Contact Us

For all queries regarding the SRS and its inclusions, please contact and arrange an appointment with School Administration on 3621 3444.

## Student Resource Scheme - Participation Agreement Form

### The Student Resource Scheme

The Student Resource Scheme (SRS) is a user-charging scheme operated by schools to provide parents with a mechanism to access individual student resources that are not funded by the government.

Government funding for schools does not extend to individual student resources and equipment for their personal use or consumption. Supply of these items, such as textbooks and personal laptops/iPads, is the responsibility of the parent.

The objective of the scheme is to provide parents a convenient and cost-effective alternative to individual supply of resources for their students. Participation in the SRS is optional, and no obligation is placed on a parent to participate.

Terms and conditions for participating in the scheme are provided on the reverse side of the form. Information is also provided on the Textbook and Resource Allowance (TRA) where applicable.

This Participation Agreement Form applies for the duration of a student's enrolment at the school, however parents who are participating in the scheme can choose to opt out from the SRS in future years by completing a new Participation Agreement Form. Any new Participation Agreement Form submitted annually and received by the school will supersede the previous form lodged.

Parents pay the annual participation fee in accordance with the selected payment arrangement. If a student joins the school mid-year, a pro-rata participation fee may apply.

Parents not participating in the scheme must provide their student with all items that would otherwise be provided by the scheme as detailed in the information provided by the school. Parents can choose to join the SRS in future years by completing a new Participation Agreement Form.

To assist schools in managing and administering the scheme, parents are requested to complete the Participation section of this form and return it to the school.

If parents have not completed and returned the form before the due date indicated by the school in the SRS Annual Parent Information documents, the school will take the view that the parent does not wish to participate.

### Payment

On agreeing to participate in the SRS, a parent agrees to pay the participation fee as advised and invoiced by the school. For families experiencing financial hardship, please contact the school as soon as possible to discuss options available.

### Participation

**YES** I wish to participate in the Student Resource Scheme. I have read and understand the Terms and Conditions of the scheme (see reverse) and agree to abide by them and to pay the annual participation fee in accordance with the selected payment arrangement. I understand that I can opt out of participation in the SRS in any year by completing a new Participation Agreement Form.

**NO** I have read the terms and conditions and I do not wish to participate in the Student Resource Scheme. I understand I must provide my child with all items that would otherwise be provided by the SRS as detailed in the information provided by the school. I understand that I can choose to join the SRS in future years by completing a new Participation Agreement Form.

1. Reference to a "parent" is in accordance with the definition in the *Education (General Provisions) Act 2006* and refers equally to an independent student.

### Purpose of the SRS

2. In accordance with the Act, the cost of providing instruction, administration and facilities for the education of students enrolled at state schools who are Australian citizens or permanent residents, or children of Australian citizens or permanent residents, is met by the State.
3. Parents are directly responsible for providing textbooks and other personal resources for their children while attending school.
4. The SRS enables a parent to enter into an agreement with the school to provide the resources as advised by the school for a specified annual participation fee.

### Participation in the SRS

5. Participation in the SRS is optional and parents are under no obligation to participate.
6. The school will provide parents with a list of resources supplied by the SRS to enable parents to assess the cost effectiveness of participation.
7. Parents indicate whether or not they wish to participate in the SRS by completing this Participation Agreement Form.
8. Parents must complete and sign the Participation Agreement Form and return it to the school by the advertised date.
9. This agreement is for the duration of the student's enrolment at the school, unless a new Participation Agreement Form is completed.
10. Parents are given the option annually to choose whether to participate in the SRS or not by completing this form.
11. Where a parent signs up to participate in the SRS they are agreeing to pay the annual participation fee for the items provided by the SRS.
12. Payment of the participation fee implies acceptance of the SRS including the Terms and Conditions irrespective of whether or not the signed form has been returned.
13. Where a student starts at the school during the school year, the parent may be entitled to pay a pro-rata participation fee to participate based on a 40-week school year.
14. Where a participation fee has been paid and a student leaves the school during the year, the school must determine if the parent is eligible for a pro-rata refund. This will also take into account any pro-rata of the Textbook and Resource Allowance (TRA) (see Additional Information regarding TRA eligibility) and any outstanding SRS debts (including any debts from damaged or non-returned items). Where the cost of outstanding debts is higher than the calculated refund, the parent is liable to pay this balance of funds.

### Non-Participation in the SRS

15. Parents who choose not to participate in the SRS are responsible for providing their student with all items that would otherwise be provided by the SRS to enable their student to engage with the curriculum.
16. The school will provide non-participating parents with a list of resources the parents are required to supply for their child.
17. All items included in the SRS must be able to be independently sourced, purchased and supplied by parents who choose not to participate in the SRS.
18. As the SRS operates for the benefit of participating parents and is funded from participation fees, SRS resources will not be issued to students whose parents choose not to participate in the SRS.

### The Resources

19. SRS funds received by the school will only be expended on student resources outlined in the school's SRS and will not be expended on other items or used to raise funds for other purposes.
20. In return for payment of the participation fee, the SRS will provide the participating student with the entire package of resources for the specified participation fee. It is not available in parts unless specifically provided for by the school in the fee structure.
21. The resources, as determined and advised by the school may be:
  - retained by the student and used at their discretion; or
  - used/consumed by the student in the classroom; or

- hired to the student for their personal use for a specified period of time.
22. All SRS resources hired to a student for their temporary use remain the property of the school. The resources must be returned by the agreed date or if the student leaves the school.
  23. Parents are responsible for ensuring that any hired SRS resources provided for their child's temporary use are kept in good condition.
  24. The school administration office must be notified immediately of the loss or damage to any hired item.
  25. Where a hired item is lost, not returned, or damaged, parents will be responsible for payment to the school of the value of the item or its repair.
  26. The replacement cost of any resource may be up to the maximum value (subject to depreciation where appropriate) of the acquisition cost to the school.
  27. Parents may be responsible for supplying their child with other resources not specified in the SRS as advised by the school.

### Payment Arrangements

35. The onus of proof of financial hardship is on the parent.
36. The school may require annual proof of continuing financial hardship.
37. All discussions will be held in the strictest confidence.

## Additional Information

### Textbook and Resource Allowance (TRA)

- The Queensland Government provides financial assistance to parents of students in Years 7 to 12, to offset the costs of textbooks and other resources. # Information regarding Nil Accident Insurance Cover for Students

*Connecting every learner, every day in every way for success.*

Some school activities and physical education, particularly contact sports, carry inherent risks of injury.

Parents/Carers are advised that the department does not have Student Accident Insurance Cover for students.

If a student is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs, are the responsibility of the child, parent or carer.

Some incidental medical costs may be covered by Medicare. If parents have private health insurance, some costs may also be covered through their private health insurance policy. Any other costs would be borne by the parent/carer.

Student Accident Insurance is an insurance policy that pays particular benefits in certain circumstances should your student have an accident.

It is a personal decision for parents as to the types and levels of private insurance they arrange to cover their student for any accidental injury that may occur.

Parents/carers should contact their insurer or an approved Australian Insurance Broker for more information about student personal accident insurance cover.
